Whenever any State, Territory, or the District of Columbia, or any political subdivision of a State or Territory, prior to September 8, 1916, entered in good faith into a contract with any person, the object and purpose of which is to acquire, construct, operate, or maintain a public utility—

(1) If by the terms of such contract the tax imposed by this title is to be paid out of the proceeds from the operation of such public utility, prior to any division of such proceeds between the person and the State, Territory, political subdivision, or the District of Columbia, and if, but for the imposition of the tax imposed by this title, a part of such proceeds for the taxable year would accrue directly to or for the use of such State, Territory, political subdivision,

or the District of Columbia, then a tax upon the net income from the operation of such public utility shall be levied, assessed, collected, and paid in the manner and at the rates prescribed in this title, but there shall be refunded to such State, Territory, political subdivision, or the District of Columbia (under rules and regulations to be prescribed by the Commissioner with the approval of the Secretary) an amount which bears the same relation to the amount of the tax as the amount which (but for the imposition of the tax imposed by this title) would have accrued directly to or for the use of such State, Territory, political subdivision, or the District of Columbia, bears to the amount of the net income from the operation of such public utility for such taxable year.

(2) If by the terms of such contract no part of the proceeds from the operation of the public utility for the taxable year would, irrespective of the tax imposed by this title, accrue directly to or for the use of such State, Territory, political subdivision, or the District of Columbia, then the tax upon the net income of such person from the operation of such public utility shall be levied, assessed, collected, and paid in the manner and at the rates prescribed in this title.
